

Database Updates

As we introduce new ratings to our product lines, you have the opportunity to download and install additional cross-reference data.

Updating your Cross-Reference Application

- 1) Go to: <http://www.emersonmotors.com/motorxref.htm>
- 2) On the left find the file called "Cross Reference Data Updates"
- 3) Click "Download Now" located to the right of the file name.
- 4) A window titled "File Download" will open and prompt you for your download options. Click the "Open" button.
- 5) Another window titled "WinZip Self-Extractor" will open. Click the "Unzip" button.
- 6) After clicking "Unzip" there will be a progress bar at the bottom of the window that informs you when the new update has completed. Once the file has completed, click "Close".

Congratulations! You have just updated your Cross-Reference Application!
